The Test Bonanza!

👁 57 ✓ 10 ⭐ 10

Chapter 1 by Mayukha

T'was the day of the big test on Cornell Notes. Mrs.Nepote had been preparing us for this big day. We finished the test and then we had problems. PROBLEMS THAT WOULD NEVER END.....

Chapter 2 by Nivriti Agaram

THE LIST OF PROBLEMS:

1. Timothy Vector Johnson pointed out that EVERYBODY, (except for him of course), got something wrong on the test.
2. Nivriti wouldn't stop singing to Taylor Swift & Justin Bieber.
3. Vignesh tried to change his answers to match Nivriti's. (Because he knows how much smarter she is than him)
4. Miley Cyrus decided to make a special appearance at the school, and Miss Emden started fangirling. EVERYBODY COULD HEAR HER SQUEALS. They were so loud, parents decided to pick their children up early from school. Nobody wanted their children to be near a crazy principal. The only people left were Miss Nepote's class & Avleen Bring. Nivriti ate Avleen Bring for talking trash about Justin Bieber. Then, everyone got scared and tried to kill Nivriti, but

...unbawp and killed all the people. The police came and arrested the killer. The killer was Nivriti. She was sent to jail for life. The End.

Chapter 2 by Nivriti Agaram

Although the humans were dead, aliens from Neptune were not. They traveled to Earth, or at least, what was left of Earth. The Sun's explosion did not destroy everything. The aliens found the remains of Nivriti K. Agaram. It was the only grave in the entire world that had not been affected by the Sun. Wincing, they opened the grave and took in the pungent smell of **dead person**. On Nivriti's neck was a necklace that was always hidden by her jacket. One of the aliens picked it up and wore it. In an instant, knowledge was filled in her mind. Then, she realized... THE NECKLACE HAD SPECIAL POWERS.

(That's how Nivriti knew how to prevent the sun from blowing up)

Chapter 4 by intellikat

...BUT LET ME TELL YOU HOW ALL OF THIS BEGAN.

Mrs. Nepote pulled me to the side as the bell rang and whispered in my tiny ear, "I'm pregnant." I knew she was lying, but I also knew she was crazy enough to try and blackmail me with this lie. Luckily, I had taken Cornell Notes on her behaviour over the past half year and there is no way such nonsense would hold up in the school council. Which is what I was summoned to first thing on Monday morning after a hard weekend of drinking lowfat milktails.
